

JYMS PTSA Armchair Fundraiser

In today's busy world we, in the JYMS PTSA, understand that direct selling in a traditional fundraiser can be challenging. This year we decided to provide a fun and easy alternative to catalogs and order forms. JYMS PTSA is excited to again offer our "Armchair Donation" program so that you, your friends and family can support your child's school with ease, knowing that 100% of your **tax deductible** donation goes to providing for the Students and Staff at JYMS.

It's called an armchair fundraiser because you don't need to leave the comfort of your armchair to support all of our educational, community building and culturally enriching programs. This year we are shooting for the stars and we have set a goal to raise \$15,000. We know that may sound like a lot but in actuality we would far surpass our goal if each student could get \$25 in donations. We would love your help and support.

Did you know that the average student who participates in catalog fundraisers will sell approximately \$60 worth of merchandise (normally, to parents, grandparents, other family and friends). The school only gets 40% of that amount, meaning only \$24 of the \$60 your child sold would go back into the school. We don't know about you but we'd rather see all of your money benefit our Students and Staff.

Participating in this fundraiser would guarantee that:

- 1. That 100% of your donation would go into the school and benefit the students.**
- 2. You get to benefit from your donation by receiving a tax deduction (501C-3 letter will be provided).**
- 3. No student or parent has to worry about selling anything, sorting orders, or delivering merchandise to anyone!**
